2023 Riffel Binger Scharlachberg Riesling trocken **98 Points**

Extremely compact and concentrated, this reminds me of Trimbach's Clos Ste. Hune although the soil type here is radically different (red-tinged quarzite). There's a deep well of ripe peaches and wet-stone minerality on the very concentrated and elegant medium-bodied palate. Enormous power in the nobly austere, extremely long finish. I love the touch of blood oranges there. From biodynamically grown grapes. Vegan. Drink or hold. Published October 2024, by Stuart Pigott, Senior Editor

2023 Riffel Binger Kirchberg Riesling trocken **97 Points**

A cool and very distinguished dry riesling with great elegance and finesse on the barely medium-bodied palate. This has a fabulous stone fruit character, but there's also a silver thread of minerality running through it that is like a well-rounded wet stone glistening in the sunlight. Very long, cool, filigreed finish that pulls you inexorably back for more. From biodynamically grown grapes. Drink or hold. Published October 2024, by Stuart Pigott, Senior Editor

2023 Riffel Binger Osterberg Riesling trocken **96 Points**

With its very intense and precise white peach and garden herb aromas (think dill and parsely), this is literally and metaphorically a brilliant dry riesling. Tremendous energy and vitality on the super-focused, medium-bodied palate. Very long, cool and racy finish that's so straight and dynamic. For young vines this is an amazing result. From biodynamically grown grapes. Drink or hold. Published October 2024, by Stuart Pigott, Senior Editor

2023 Riffel Binger Rosengarten Riesling **95 Points**

This barely off-dry riesling has fabulous peach and apricot fruit married to a sensuous mouthfeel, intense minerality, but restrained acidity in the dry riesling context. It's beautifully balanced in the long, stony finish. From biodynamically grown grapes. Drink or hold. Published October 2024, by Stuart Pigott, Senior Editor

2023 Riffel Binger Kirchberg Riesling Kabinett **95 Points**

Very cool and filigreed, this stunning riesling Kabinett has terrific wet-stone freshness on the sleek and focused palate. Brimming with white peach, crisp apple and spring flower aromas. So many different colors and shadings. Super-clean and precise finish that's way drier than the nose suggests. From biodynamically grown grapes. Drink or hold. Screw cap. Published October 2024, by Stuart Pigott, Senior Editor

2023 Riffel Riesling trocken **93 Points**

For an entry-level dry riesling this is very peachy and apricoty with silky acidity. If you're not looking for an acid bomb, this is a beautiful wine with a thread of stony minerality running through it from the beginning to the very end of the long finish. From biodynamically grown grapes. Drink or hold. Screw cap. Published October 2024, by Stuart Pigott, Senior Editor

Riffel ZERO WHITE Sparkling alkoholfrei **91 Points**

This alcohol-free wine is so charming and appealing. Masses of spring blossom aromas on the light-bodied palate. So clean, bright and charming that you don't really think about the alcohol that isn't there. Based on the 2023 vintage. Drink now. Published October 2024, by Stuart Pigott, Senior Editor
